

## 2023 MEMBERSHIP DRIVE

We are looking back on a fantastic year! Three theater productions, concerts, youth art, a writer's retreat, author events and art exhibits kept our calendar full throughout 2022.

Another arts-filled year is planned for 2023. We are looking forward to more concerts, indoors and out, beginning with "The Wildwoods" in April. "Music on the Porch" enters its third season. Our theater program promises to be as eventful as always and our youth art club continues. As always, we bring the work of area artists to the Sorenson Gallery.

In 2023 we will hold our "Daisy Hagen Auction for the Arts". This event is one of our most successful fundraisers and also a great time for everyone who participates.

The FLCAA wants to thank everyone who gave their support through memberships and gifts in 2022. If you are a longtime member, or have enjoyed FCLAA programs and would like to become a member, please take a moment to ensure the performing, literary, and visual arts remain a vital part of our area.
